

# Become a School Guide for Ivy Creek

Our school tour program is one of our oldest and most treasured programs. Come bring your love of nature and children and join our team of dedicated guides, some of whom have been guiding at Ivy Creek for over 30 years. Our training begins in mid March and meets for six consecutive weeks on Tuesday afternoons. School tours are held on Monday, Thursday and Friday mornings in the spring and fall months. For more information, contact our Director of Education, Catherine Boston at [catherine@ivycreekfoundation.org](mailto:catherine@ivycreekfoundation.org)
